During the national lockdown please see our updates on our team social media accounts detailed below.

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

Scam offences

Distraction Burglaries

We would ask the community to continue to support us by reporting any antisocial behaviour in progress Tel: 101.

We continue to patrol the key hotspot areas for antisocial behaviour.

WHAT'S BEEN HAPPENING

Reassurance about dog thefts

Whilst every case of dog theft is hugely distressing, we have released figures which we hope will be of some reassurance to owners. Our latest analysis shows that incidents are rare, and reducing, in our County. Recorded dog thefts have HALVED over the last year from 12 incidents in 2019/2020 to just 6 incidents in 2020/2021*. Chief Supt Paul Timmins said, "We understand the devastation a stolen dog can cause. Many of us at Lincolnshire Police are dog owners ourselves. Whilst it is a rare occurrence, it does happen. If it's something that concerns you, please contact your local policing team who can provide security advice and reassurance." "Please come to us with any information you have that could be connected with dog thefts, and continue to report any suspicious activity or individuals in your area. We will investigate and act on information received in order to return dogs to their owners and bring those responsible to justice." In some cases dogs may be reported stolen but are actually just missing and, thankfully, are later reunited with their owner. We work with the national voluntary organisation DogLost who can help if you are ever in this worrying position.
