

## PAPER AND CARD RECYCLING

You may have recently received a message from NKDC about the paper and card recycling trial, which was a great success.

NKDC hope to roll out the new purple bins across North Kesteven.

HOUSEHOLD WASTE AND RECYCLING CENTRES are operating with Covid measures in place and you are advised to book a slot beforehand on the website.

## FLYTIPPING AND NHOW TO STOP IT

If you follow NKDC's social media channels (if not, why not?) you may have seen some recent successes in prosecuting fly tippers. NK always seek to punish fly tippers, but the householders can also be fined if waste is traced back to them.

How you can avoid this? It's simple, don't pass your waste onto an unlicensed operator.

Make sure you can show you took "reasonable care". Don't give waste to anyone who doesn't have a waste carriers license. You can check this by asking them to show you their license, and checking they are registered with the Environmental Agency. A legitimate waste carrier will have no problem providing this information.

Take photos on license.

Don't pay cash- pay by bank transfer or Pay Pal so you have a trail to the waste carrier. If they will only take cash they are probably not legitimate.

## EU SETTLEMENT SCHEME

The deadline for the EU Settlement Scheme is fast approaching- applications must be in by 30th June 2021.

Residents who are an EU, EEA, or Swiss Citizen and their family can apply to the EU Settlement Scheme to continue living in the UK after 30th June 2021. They can also apply if they're the family member of an eligible person of Northern Ireland.

The EEA includes the EU countries and also Iceland, Liechtenstein and Norway. They may be able to stay in the UK without applying - for example, if they're and Irish citizen or have indefinite leave to remain.

## ENGLISH TOURISM WEEK 2021

Following the re opening of our visitor attractions 28th May 2021 this week we are marking English Tourism Week. If you can please support our Venues by visiting or simply sharing something on social media. Here's the latest attractions:-

Mrs Smiths Cottage

Navigation House

Cranwell Heritage Museum

The Hub Re opened after refurbishment and extension, and offers engaging exhibitions.

Cogglesford Mill remains closed due to refurbishment.

## POWER FUND GRANTS £4,900

A meeting of the Sleaford Renewable Energy Plant. Community Power Fund Panel awarded £3933 to the Sleaford Canoe and Kayak Club top replace parts of their safety and paddling equipment, and to buy paddle boards, and £980 went to the Sleaford Civic Trust to celebrate the achievements of Harry Gregson who worked alongside Les Gostick to establish Lollylocks Field as a nature reserve.

Best Wishes and start safe.

Cllr Lucille Hagues
