

**January '22 News
from
Marianne Overton MBE**

**Lincolnshire County Council
LCC and North Kesteven
District Council NKDC**

Wishing you a happy and successful 2022.

I hope you and your family are well. This is my personal newsletter to let you know what I am doing on your behalf and to keep in touch with you. Let me know if I can help with anything.

**Fix our Funds to Fix our Roads
Mind the Gap - £12m big**

As you may remember, I am elected nationally as Vice Chairman of the Local Government Association. As part of the top team, I work with ministers to get better funding and powers for Councils so we can do a better job for you.

Through “austerity”, less and less of our income tax came back for local spend and our highways have been falling apart, leading to the phrase, “Vote Conservative, get potholes”.

Nationally, we ran a campaign on more money for highways, where Lincolnshire gets the significant share it needs. You may remember we were successful with a £12m boost in 2019/20. Unfortunately it was not continued, pulled by the Conservative Government just before the County elections last May, forcing Councils to make it up from reserves for one election year.

Independents spoke and voted in support of the County campaign to call for on the ministers and MP’s for proper funding before it is finalised this month. The gap means a loss of a quarter of our highways budget, putting life and limb at risk in Lincolnshire.

Reflections

It is heartening to count our blessings and achievements over the past year to remind us just how much we can do, working together for our communities.

Tackling Covid

Huge thanks to the many people who took care of neighbours and supported our communities through the war on covid. Many community groups and food banks were set up and supported by our Independent Councillors, closest to our communities. Our Councils distributed huge sums to support local businesses, expecting covid to be a short battle. Nationally, our LGA team battled to get PPE to care homes and staff, and for covid funding, which we eventually got, thus saving lives.

Supporting Recovery

Councillors were largely shut out of Council for a period, instructed not to meet in person and not allowed by law, to make decisions in online meetings. Undeterred, our Independent Councillors worked on a series of issues, by meeting on line, investigating and collating a plan of action, contributing to the work of the Council. We updated our Recovery document and put it to good use locally and nationally, driving the point that this is about recovery of the economy, but also for people and the environment.

Tackling Climate change

We worked to get our initial Climate emergency motion passed by the District Council, embedded into everything the Council does and there is more to do. We are expected to encourage vast numbers of new dwellings without the matching services *and* reach net zero by 2030. We are expected to retrofit our

How is it we allow new houses to be built that immediately require retrofitting to get up to standard?

(Left) Marianne was honoured to speak at COP26 on behalf of Local Government.

Improving the Local Plan

Thank you for attending the public meetings on the Local Plan and writing in your responses. That will be effective in the next few months. We need fewer dwellings, better insulated, with local adequate services and facilities, mostly within fifteen minutes of active travel. Our most recent think tank document is on transport, emphasising the need to have local facilities and to reduce traffic through villages. Thank you to Parish Councils who added their support. In the meantime, we have supported sensitive development in keeping with our villages and fought off

damaging applications, such as the rendering site at Norton Disney.

Supporting Mental Health

Lockdown and locked out of social contact and support mechanisms has significant impacts. Lincolnshire Independents have long pressed for better support, with some success as new contracts were given, including the "Don't Bottle it up" campaign. 0800 001 4331
Our members have also initiated and are driving forward significant support from the District Council.

Winning Elections

The May County Elections saw Independents as the second largest group, later required to share the Shadow Cabinet work with another group. I took tackling Highways, Transport and IT, while Independent colleagues took on the environment, economy, health and community engagement – all significant roles. Our members won two hard-fought District Council by-elections in Stamford and Metheringham, adding strength to those Councils and communities.

Thanks

Huge thanks to colleagues for doing so much over the past year - a springboard for the year to come. We have refreshed our vision and areas of special interest ready for the New Year. We continue to have courage and resilience, a determination to support local communities and protect the best of living in Lincolnshire.

Thank you for all you continue to do in our communities and your kind support. Keep Safe and best wishes for 2022.

Marianne
