Mutual Gain

Our Safer Together Team Coordinators have been engaging with communities as part of Lincolnshire Police and Mutual Gain World Café events across Lincolnshire.

Events have been held in Sleaford, Skegness and Gainsborough to decide on the recipients of participatory budgets, with an event planned for Sutton Bridge soon!

Youth Engagement

In March, our Youth Commission hosted their "Big Conversation" Conference where they presented recommendations based on the views of young people across Lincolnshire, to partners including community groups and decision makers within councils. The Youth Commission talked about Mental Health, Stopping Abuse, Safer Communities, Exploitation and Violence Affecting Children and Youth People, Young People and Their Relationship with the Police and Diversity and Inclusion.

The Youth Commissions report will be available in May 2022, we will distribute this and have a copy on our website, as well as keeping communities up to date with our actions against the recommendations.

We are looking for young people aged 11 to 21 to have their say on local issues. If you, or someone you know wants to join in email; safertogetherteam@lincs.police.uk

Public Assurance Meetings

Did you know there are Public Assurance Meetings that support the Police and Crime Commissioner to meet his statutory responsibility to hold the Chief Constable to account? The meetings focus on the performance of Lincolnshire Police and provide assurance regarding the effectiveness and efficiency of policing services.

You can have your say too! As a member of the public you can submit one written question to each Public Assurance Meeting, regarding the performance of Lincolnshire Police. The question must be submitted no later than midday, five clear working days before the scheduled meeting.

To do this you can;

- submit your question via the contact form on our website (<https://lincolnshire-pcc.gov.uk/transparency/public-assurance-meetings/how-to-ask-a-question/>)
- Download our [public questions form](#) and emailing it to PAMquestion.pcc@lincs.pnn.police.uk
- post the [public questions form](#) to: Office of the Police and Crime Commissioner, Lincolnshire Police Headquarters, Deepdale Lane, Nettleham, LN2 2LT

The Safer Together Team have been having face to face and virtual conversations throughout Lincolnshire!

They have spoke with veterans groups, community groups that support families, parish councils and community action groups.

Having regular contact with neighbourhood policing teams in their local areas, they have fed back local concerns and attended local priority setting meetings.

They have also been meeting with professionals to discuss collaborative opportunities, including building societies, district councils, housing providers community partnerships and volunteer groups.
