

FUNGAL FORAY

with Jane Ostler

Sunday 16th October 2022, 10am-12.30pm
Twyford Woods, near Colsterworth

Join us in finding fungi with expert Jane Ostler.

This is a family hunt for fungi through mixed and pine woodland,
contributing to long-term studies.

There are 102 species recorded here in total. How many can we find?

Jane Ostler an experienced mycologist with a wealth of fascinating stories about the
fungi.

Joint Meeting with the
West Kesteven Wildlife Watch & RSPB Explorers Group

***Bring cameras, wellingtons, wet wipes and join us in the pub afterwards for a hot soup,
in the White Lion, Colsterworth.***

Registration

Contact Organiser: Marianne Overton, Marianne.overton@biosearch.org.uk

Tel 01400 273323 or 07920 235 364 £1/head, or by donation to the local wildlife group
for children, West Kesteven Wildlife Watch and RSPB Explorers.
