

# Winter News from Marianne Overton MBE

Lincolnshire County Council LCC and North Kesteven District Council NKDC

# **Greetings!**

I hope you are doing well. This is my personal newsletter to let you know what I am doing on your behalf and to keep in touch with you. Let me know if I can help with anything. This month I am leading on Tackling Climate Change.

# Tackling Climate Change COP27

I was honoured to speak on your behalf at COP27 in Egypt about what our Councils are doing to tackle climate change and mitigate for the impacts we can already see beginning. I was part of the team sent by CEMR, representing over 100,000 Councils in Europe. I was on the podium four times, showcasing what local councils are doing in the UK and abroad.

In our ministerial meeting, we made representations about the importance of councils at the heart of local action. Thankfully, Councils were written into the final agreement as part of the solution.

Having the world's leaders committing publicly to action is a powerful force, backed by activists and by councils, industry and people at home, making the changes we need. And there is much more to do. Full report: www.lincolnshireindependents.org.uk

Others were going on to the Convention on Biological Diversity COP15 in Montreal. As human pressure has increased on nature, so the abundance and variety has suffered. The aim is to achieve less damage and more protection of the natural world.

Is it possible to have a waste-free Christmas? Here are some ideas from the <u>National Trust</u>, called "How to have a greener Christmas".

# Making our homes warmer

On a ten-week online training course, I learnt how to improve our housing both private and publicly owned. I have been pressing the Government for better funding for insulation and asked to be on a Government Task Group helping Councils access the funding and make best use of it. A billion pounds was announced this week for houses up to tax band D. I am hoping the scheme will be easier to access and more flexible than the last. At NKDC, we put £1m aside. We also applied for funds to make 200 council houses more energy efficient up to grade C, which is the legal efficiency minimum for private rented properties by 2025. For more info www.local.gov.uk "climate action hub". The feedback webinar is on Dec 6<sup>th</sup>.

Home Energy Upgrade Scheme. The old funds are still available if you are on income less than £30K/yr and your home has an energy efficiency rating of E or below. Please check on the NKDC website.

# Supporting local Businesses

# 1 Shop Local

Lincolnshire Independent have called for the Council to focus on support for small businesses and they are now doing a lot. You might like to add your business to the website; take free professional advice or access grants. www.businessnk.co.uk

European grants are still available to tackle flooding from the Flood innovation centre 01482 462275. Register at www.floodinnovation.co.uk/register

#### 2. Funding to support you in going green

Moy Park won the business sustainability award from NKDC this year. Can it be you next year? Funding is available for making buildings greener with insulation, electric charging points, solar panels and nature-based solutions. You can also helpfully showcase your own good examples online. www.businessnk.co.uk/netzero

# Supporting Bus Services

For Christmas bus service timetables throughout Lincolnshire - please visit www.lincsbus.info

# Supporting local transport

Here also is CallConnect and ConnectBus operating office hours throughout the Christmas and New Year, taking you where you want to go. The Lincolnshire County Council transport Helpline is 0345 456 4474 Monday – Friday 9am- 6pm, Saturdays 9.30am – 4pm. Our friendly team will be happy to help. You can also apply here for a concessionary bus pass, which you can use on all the bus services.

Navenby runs a voluntary hospital car scheme, through the Parish Office. 01522 811132

# Supporting People

Cost of Living support: Stretch it, save it, share it!
We are providing a very useful summary of information on everything that might be useful to support you through the cost of living crisis. Search "NKDC Cost of living"

Warm Home Discount: £150 off electricity bill if on low income: Check if you are eligible online.

# **Community Grants**

Please see the November newsletter which focussed on grants.

# Rural Prosperity Fund on its way

North Kesteven was allocated £3/4m from the Government, but it has to be bid for by the end of November. Grants from this fund will be available to us locally from 1<sup>st</sup> April 2023. We are applying for money to support small businesses and community infrastructure that will help the rural economy.

# **Warm Spaces**

You can register your "warm space" with partnerships@n-kesteven.gov.uk

### Keeping fit or how to be ten years younger!

Most of our villages have exercise classes which are sociable and set at the right level for you. New classes are in Harmston Memorial Hall with Michelle Turner; Healthy heart on Monday 11.30am, Pilates on Thursday 10am and chair exercises on Thursday 11.15am Also at Bassingham Hall.

# Supporting our local Museum

Mrs Smith's Cottage on East Road, Navenby, remains a jewell in the crown of North Kesteven. Thanks to volunteers for their generous support of this little museum acquired by NKDC with local support some thirty years ago. Plants left in Sleaford in tribute to the Queen, have been planted as an enduring part of Mrs Smith's garden. Christmas events include the popular Santa at the Cottage on the 17<sup>th</sup> December 12.30-3pm. Do bring the family along or just pop in to buy a nice present. www.mrssmithscottage.com

# Fighting for our local area-planning

The new local plan is the set of rules against which every planning application is compared to see whether it should pass or fail. That plan is being inspected this week. The public Inquiry is open at the Double Tree by Hilton on the Brayford Pool next to the Marriott 10am-4pm until 9<sup>th</sup> December.

Following our extensive discussions and two public meetings, in Bassingham and Navenby, you will remember we wrote a paper on the local plan proposed changes, which I copied onto the appropriate forms and submitted in due time. We supported an improvement in energy efficiency requirements, but said it should be brought forward sooner. We also objected to;

- 1) the significant growth planned in villages changing their character and without the facilities to match.
- 2) the new approach to generally allow turbines up to 125m and identifying spots where large turbines would be acceptable, two of them in or close to the area I represent.

## "Devolution"

Under the guise of "levelling up" and "devolution", the Government is centralising power, under the radar, by dissolving local Councils into bigger units, which have even less reason to listen to their residents. The Lincolnshire public consultation rejected a combined authority, but we see it forming stealthily in stages, keeping us on an impossibly short leash financially and offering us money to give up our local powers and our local councils.

The Government's "devolution deal" is here at Item 11 on the County Council agenda for 9<sup>th</sup> Dec. District Council District Councils are not statutorily involved and could be excluded if they do not "toe a line".

# **Boundary Changes**

# Parliamentary Boundaries

Consultation closed at the weekend. The <u>map</u> takes south Kesteven out of the Sleaford and Hykeham constituency, which is OK. <u>www.bcereviews.org.uk</u> Waddington East and Waddington are in different parliamentary areas, but in the same new District Council Ward, called Waddington Rural Ward.

# District Council Elections May 4th 2023

New ward boundaries: Despite our combined efforts, Harmston and Coleby leave the Cliff Villages and go in with Waddington. Most of my current ward, the Cliff Villages from Boothby Graffoe to Leadenham and now including Brant Broughton and Beckingham, is called "Navenby and Brant Broughton", with two councillors.

Voter ID: Currently the Government plans to require photo identification at the polling station. I have argued against this at all levels, as have all my non-Conservative colleagues nationally. Fraud in person is very rare, whereas significant fraud has been found in the postal votes. Having the right documents is another barrier and a discouragement for those who do not have, or do not carry, the right form of ID. The electoral staff say it is extremely difficult to review the polling stations and get the system in place in time, especially as extra staff will be needed.

Postal Vote: If voter ID is required in May, it will be worth getting onto a postal vote. You can still take your postal vote to the polling station on the day. The simple forms are <a href="here">here</a> for return to <a href="mailto:elections@n-kesteven.gov.uk">elections@n-kesteven.gov.uk</a>. More advice is <a href="mailto:here">here</a>. Please make sure you are registered to <a href="mailto:vote">vote</a>.
