Hello 2023!

Firstly Happy New Year to everyone! Its been a busy 4th Quarter!

November was a busy period with the Crime and Policing Survey being conducted on behalf of the PCC, Marc Jones. Throughout the course of the survey, I attended over 12 events across my areas to promote the completion of the survey, to let the community have their voices heard! We are happy to report the survey a record number of responses, residents' voices that will be listened to for the upcoming year.

Below are just some of the events I have been taking part in this last quarter:

On November 11th, PCSO Welby Everard and I went on a Patrol around Grantham, engaging with the Community and promoting the Annual Policing and Crime Survey to the residents.

On the 22nd November , Coordinator of EL, Roisin and I attended the Youth Conference for the Hampshire and IOW OPCC. It was an excellent day where we met many amazing young people and allowed us to do some good practice sharing.

On the 27th November I met up with the Sleaford Neighbourhood Policing team and we attended the Sleaford

Christmas Market! We had a great day engaging with the community and promoting many campaigns.

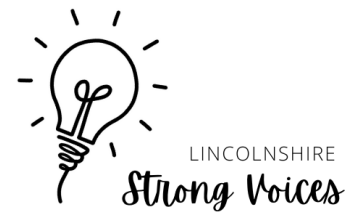

On December 7th, the Safer Together Team, supported by Interns Katie and Catherine, completed a whole school engagement at Skegness Academy. We completed the session with every student over 700 young people!

I look forward to the start of this year with many exciting things to come. Including working with my Neighbourhood Policing Teams and supporting the Community.

Herbert Protocol

The Herbert Protocol is a national scheme adopted by Lincolnshire Police and other police services across the country. It encourages carers, families, friends or neighbours, to hold information about the person with dementia that can help the police find them if they go missing.

The basis of the scheme is for vital information about the person such as medication, description, photograph, significant places in the person's life and their daily routine, to be recorded on a form.

The form can be downloaded or printed from Lincolnshire Police website [Missing persons | Lincolnshire Police \(lincs.police.uk\)](http://lincs.police.uk) or pick one up from your local police station.
