

Better Housing Better Health

The Warmth & Wellbeing Service

HOME ENERGY ADVICE

Better Housing Better Health (BHBH) is a charity working locally to improve your domestic warmth & wellbeing. In a preventative approach, our free helpline provides you with a single point of contact for services, advice and financial support in order to help improve the energy efficiency of your property.

FINANCIAL SUPPORT

Our team of experts can work with households to apply for grants and funding to help with your home energy. Schemes like the Warm Home Discount can take £150 off your bills and ECO Funding can replace heating systems as well as install insulation. Call us to see if you're eligible and start the process.

WE ARE HERE.

PRIORITY SERVICES REGISTER

If you're of pensionable age, have long-term medical conditions or live with children under 5 years old, the BHBH team can assist you with checking your eligibility and signing your household up to the Priority Services Register so you find out about any issues and outages with your home energy immediately.

FREE HOME ENERGY VISITS

A trained home energy advisor can install free small energy-saving measures such as draught-proofing and LED light bulbs, advise on bills and debt, help you understand your heating system, and much more during a free home energy visit. They will assess your property and signpost you to other services that can help you save money and stay warm in your home.

All advice is free, confidential, and tailored to the resident. To speak to one of the team, please call the number below weekdays between 9:00am and 5:00pm.
